

**SHAVANO PARK DIRECTORY 2019**

**To All Residents of Shavano Park** (including Shavano Park, Shavano Creek, Bentley Manor, DeZavala Place, Willow Wood and The Huntington):

It is time to publish a new city directory! On behalf of the City of Shavano Park, the Shavano Park Women's Club is collecting and updating resident information for a new phone directory. This is only done every two years so every effort is made to provide residents with accurate and current information. ***Our directory is for the sole use of Shavano Park residents and is not to be used for solicitation purposes.***

**If you are a resident that was included in the 2017 Directory** please complete the information below **even if it has not changed.** This helps us determine if the home is still occupied by the same residents. If we do not receive the completed form or otherwise hear from you in writing or email, we will assume the information is unchanged and will be published the same.

**If you became a resident after the 2017 Directory publication or missed inclusion for other reasons,** please complete the information below (do not include minors).

**If you do not want your information published in the directory,** please complete the information below (name, address and phone or email in case we have any questions) and indicate your preference as **"Unlisted"**. **We need to have this in writing so that we may honor your wishes.** Your address will be shown and your name and phone number will be shown as "Unlisted".

We may review public records and resources or contact neighbors in order to help us verify resident information, discrepancies, proper name spellings and/or phone numbers if we do not hear from you.
